

DAN STOCKDALE

Special Interest & Destination Speaker

Dan Stockdale is a leadership speaker, author, tiger trainer and conservationist who has appeared on numerous international media outlets including Fox News, Fox Business Network, CNN Headline News and many more.

Dan brings his passion for wildlife conservation, environmental sustainability and leadership to every presentation. His vast knowledge of plant and animal life, culture and environment around the world truly make him a global speaker. Dan holds a B.A. in Psychology and an M.A. in Communication and is an MBA candidate at Vanderbilt University. He is also the Founder of the World Nature Coalition.

Presentations

Sensational Seas! – From sea horses to clownfish to whales, discover the amazing kaleidoscope of vibrant, multihued marine life we live with at sea!

A World of Change & Conservation! - Discover the abundant changes our world is experiencing and how extraordinary conservation groups are creating a earth-healing difference!

Hidden (Mexican, Asian, Hawaiian, Caribbean) Treasures! - Mysterious history, exotic animals, and colorful cultures! Discover the secretive, interesting and sometimes bizarre hidden jewels of (destination)!

Monkey Madness! – Have you ever wanted to own a monkey? Now you can! Join Dan as you make your very own real sock monkey or sock monkey puppet that looks exactly like the monkeys you may encounter on a jungle excursion while at our next port! Swing in for this craft class that young and experienced alike will enjoy!
