

Theme Park Wildlife Shows

Wild America. Wild World!

Wild America. Wild World! is the wildlife show starring rescued animals from around the world! Join Dan as he takes your audience on a global conservation tour exploring the amazing and diverse environments found on almost all of our seven continents. A show for the entire family... fun, educational and exciting! Discover. Preserve. Imagine!

Wild America. Wild World! is a perfect addition for conventions with families in attendance as well as for entertainment, educational or theme park environments. In fact, Dan has performed in over 400 birds of prey shows at Dollywood in Pigeon Forge, Tennessee!

About Dan

Founder of the Washington, DC based World Nature Coalition (www.NatureCoalition.org), Dan Stockdale is a conservationist and leadership speaker who has appeared on CNN, Fox News, Fox Business Network and many, many other national media outlets.

Dan has led organizations with over 1,000 employees with his uncanny and unconventional leadership techniques learned from the wild. Combined with a degree in psychology, a masters in communication and MBA coursework at Vanderbilt University's prestigious Owen School of Management, Dan coalesces real world experience from his exhilarating business career with his intrinsic risk-taking work with wildlife.

Recently named one of America's '25 Hottest Speakers' by the National Speakers Association, Dan is the author of numerous leadership articles and leadership books.
